COMMENT OF THE WEEK:- This week's winner was a National League player, who after taking several throw-ins from the right fullback position during the Preston match, remarked:-

"Where is Jacko, he should be taking these" The reply was simple:-

"he was sent off ten minutes ago!"

INCIDENT OF THE WEEK:- Who is the former Lions and City National League player who could be re-united with his former Coach at a Premier Club?....

last week's game

BRISBANE LIONS V PRESTON.

16th JUNE 1985

This game was played in soft muddy conditions with Lions having to reshuffle their defence after losing McSkimming and Niven through injury and Tony Redmond suspended.

Russell Stewart played sweeper with Jackson at right back and David Hunter making his debut in the left back position.

Lions conceded the first goal in the 16th minute when a header was knocked down to an unmarked Warren Spink who slotted the ball past an advancing Evans. Lions then took control of the match playing some good soccer, but Prestons' aggressive defence left few openings for goalscoring chances.

The unexpected happened in the 34th minute when Steve Jackson disputed a free kick decision and was unfairly sent from the field. The visitors held Preston till the break with the score at 1-0.

The second half saw Lions attack quickly but suffer on the breaks with only 3 defenders and not a great deal of luck as Preston scored their second goal when Illioski passed to an unmarked and very offside Spink. Lions soon brought on McGregor for Redmond and Vasquez for Daut as Alan Hunter pushed forward to join McGregor. Lions misfortune proceeded to continue as Steve Smiths' shot deflected off Vasquez' back over an unlucky Wayne Evans. Preston continued to dominate the visitors as Sean Lane was fouled in the box and then made no mistake from the spot to complete the 4-0 scoreline and end a bad day for Lions.

FULLTIME SCORE PRESTON 4 (Spink 2, Smith, Lane) LIONS 0
